The screenshot shows the Ovid database interface. At the top, there is a navigation bar with the Ovid logo on the left and user options like 'My Account', 'My PayPerView', 'Support & Training', 'Help', 'Feedback', and 'Logoff' on the right. Below this is a blue navigation bar with tabs for 'Search', 'Journals', 'Books', 'Multimedia', and 'My Workspace'. The main content area displays a search results modal titled 'Select Resource(s) to search:'. This modal lists several search options under 'All Resources', each with a checkbox and an 'i' icon. A red arrow points from the Persian text above to the 'i' icon next to the first search result, 'Books@Ovid January 06, 2020'. The background shows a search history panel on the left and a 'View Saved' panel on the right.

 [Journals@Ovid Full Text](#) January 06, 2020

- **Basic Search** - Enter a complete question or phrase stated in plain English—no need for complex syntax! Our proprietary Natural Language Processing algorithm returns full text, multimedia and open access results ranked by relevancy.
- **Find Citation** - Only know part of a bibliographic citation? Enter values for specific fields, such as DOIs and other unique identifiers.
- **Search Tools** - Use specific tools, including permuted index, explode, trees, scope notes, and more.
- **Search Fields** - Search a database using one or more criteria, including abstracts, author name, ISSN, and many more. Display the fields you use the most in the My Fields tab.
- **Advanced Search** - Search full text and multimedia using controlled vocabulary terms or command line syntax for greater focus and precision.
- **Multi-Field Search** - Combine search terms using multiple search fields in one step

## Current Opinion in Obstetrics & Gynecology Volume 32(1) pgs. v-vi,1-105 February 2020

The screenshot displays the Ovid database interface for the journal 'Current Opinion in Obstetrics & Gynecology'. The page shows the journal's cover, ISSN (1040-872X), and copyright information (© 2020 YEAR Wolters Kluwer Health, Inc.). The table of contents lists three articles:

- Editorial introductions.** pg. v-vi  
DOI: 10.1097/GCO.0000000000000607  
Miscellaneous  
PDF Full Text, My Projects, Annotate
- Optimizing immunotherapy for gynecologic cancers.** pg. 1-8  
DOI: 10.1097/GCO.0000000000000603  
Rubinstein, Maria M.; Makker, Vicky  
Miscellaneous Article  
Abstract, PDF Full Text, My Projects, Annotate
- New treatment standards for vulvar cancer 2020.** pg. 9-14  
DOI: 10.1097/GCO.0000000000000595

The interface includes a search bar, journal information, and issue lists for the years 2019, 2020, 2018, 2017, 2016, and 2015. The current issue, Volume 32(1) February 2020, is highlighted. The page also features navigation options like 'Previous Issue' and 'Next Issue', and utility icons for Print, Email, Export, and Add to My Projects.
